

# Safety Data Sheet

## Diamond Swirl Remover

### Section 1. Identification

<b>Product Name</b>	:	DIAMOND Swirl Remover
<b>Other means of identification</b>	:	237
<b>Product type</b>	:	Liquid
<b>Identified uses</b>	:	Automotive detailing
<b>Supplier's details</b>	:	<b>AAP ENTERPRISES</b> <b>1661 Pacific Ave. Unit 16</b> <b>Oxnard, CA 93033</b>
		<b>Office: 805-486-1000</b> <b>E-mail: <a href="mailto:allamericanproducts@verizon.net">allamericanproducts@verizon.net</a></b>
<b>Emergency telephone number (with hours of operation)</b>	:	CHEMTREC, U.S. : 1-800-424-9300 International: +1-703-527-3887 (24/7)

### Section 2. Hazards Identification

<b>OSHA/HCS status</b>	:	This material is not considered hazardous by the OSHA Hazard Communication Standard
<b>Classification of the Substance or mixture</b>	:	Not classified as hazardous under GHS
<b><u>GHS label elements</u></b>	:	
<b>Hazard pictograms</b>	:	
<b>Signal word</b>	:	None Known
<b>Hazard statements</b>	:	None Known
<b><u>Precautionary statements</u></b>	:	
<b>Prevention</b>	:	No significant skin irritation expected from a single short term exposure.
<b>Response</b>	:	IF ON SKIN: Wash with soap and water. Take off contaminated clothing. Wash contaminated clothing before reuse. If skin irritation occurs, get medical attention. If in eyes rinse with water for several minutes.
<b>Storage</b>	:	Keep container tightly closed. Store in cool place.

## Section 2. Hazards Identification

<b>Disposal</b>	:	Dispose of contents/container to industrial combustion plant..
<b>Supplemental label elements</b>	:	Do not taste or swallow. Wash thoroughly after handling.
<b>Hazards not otherwise classified</b>	:	None known.

## Section 3. Composition/information on ingredients

<b>Substance/mixture</b>	:	Mixture
<b>Other means of identification</b>	:	Not available

### CAS number/other identifiers

<b>CAS number</b>	:	Not applicable
<b>Product code</b>	:	237

Ingredient name	%	CAS Number
No Hazardous Ingredients		

Any concentration shown as a range is to protect confidentiality or is due to batch variation.

There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section.

Occupational exposure limits, if available, are listed in Section 8.

## Section 4. First aid measures

### Description of necessary first aid measures

<b>Eye contact</b>	:	None expected to be needed, however, use an eye wash to remove a chemical from your eye regardless of the level of hazard.
<b>Inhalation</b>	:	This material does not present a hazard if inhaled. Remove victim to fresh air and call a doctor if feel unwell.
<b>Skin contact</b>	:	Wash with soap and water.
<b>Ingestion</b>	:	No need for first aid is anticipated. Wash out mouth with water. Do not induce vomiting. Never give anything by mouth to an unconscious person. Get medical attention if symptoms occur.

### Most important symptoms/effects, acute and delayed

#### Potential acute health effects

<b>Eye contact</b>	:	None Known
<b>Inhalation</b>	:	None Known
<b>Skin contact</b>	:	None Known
<b>Ingestion</b>	:	None Known

## Section 4. First aid measures

### Over-exposure signs/symptoms

<b>Eye contact</b>	:	Adverse symptoms may include the following: pain or irritation watering redness
<b>Inhalation</b>	:	No known significant effects or critical hazards.
<b>Skin contact</b>	:	Adverse symptoms may include the following: irritation redness
<b>Ingestion</b>	:	No known significant effects or critical hazards.

### Indication of immediate medical attention and special treatment needed, if necessary

<b>Notes to physician</b>	:	No specific treatment.
<b>Specific treatments</b>	:	No specific treatment.
<b>Protection of first-aiders</b>	:	No additional first aid information available.

## Section 5. Fire-fighting measures

### Extinguishing media

<b>Suitable extinguishing media</b>	:	Not combustible, Use extinguishing media appropriate for surrounding fire.
<b>Unsuitable extinguishing media</b>	:	No data available.
<b>Specific hazards arising</b>	:	Material will not ignite or burn
<b>Hazardous combustion products</b>	:	Carbon monoxide (CO), Carbon dioxide (CO <sub>2</sub> )
<b>Special protective equipment for fire-fighters</b>	:	Will not burn, no special instructions available. Use methods appropriate for surrounding materials.

## Section 6. Accidental release measures

### Personal precautions, protective equipment, and emergency procedures

- For non-emergency personnel** : Remove persons to safety
- For emergency responders** : Ventilate the area with fresh air.

- Environmental precautions** : Avoid release to the environment. For larger spills, cover drains and build dikes to prevent entry into sewer systems or bodies of water

### Methods and materials for containment and cleaning up

- Spill** : Contain spill. Working from around the edges of the spill inward, cover with bentonite, vermiculite, or commercially available inorganic absorbent material. Mix in sufficient adsorbent until it appears dry. Prevent entry into sewers, water courses, basements or confined areas. Place in container for disposal according to local regulations. Clean up residue with water. Seal the container. Dispose of collected material as soon as possible.

## Section 7. Handling and storage

### Precautions for safe handling

- Protective measures** : Use local and general ventilation.

- Warning** : Do not get in eyes may cause irritation.

- Conditions for safe storage, including any incompatibilities** : Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool, and well-ventilated area. Keep container tightly closed and sealed until ready for use. Keep the containers labeled. Use appropriate containment to avoid environmental contamination.

## Section 8. Exposure controls/personal protection

### Control parameters

#### Occupational exposure limits

Ingredient name	Exposure limits
No data available	

## Section 8. Exposure controls/personal protection

<b>Appropriate engineering controls</b>	:	No exposure limits exist for the constituents of this product. Use local exhaust ventilation or other engineering controls to minimize exposures and maintain operator comfort. Engineering controls must be designed to the OSHA chemical specific standard. Use process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits.
<b>Environmental exposure controls</b>	:	Use appropriate container to avoid environmental contamination. Keep away from drains, surface and ground water.
<b>Individual protection measures</b>		
<b>Hygiene measures</b>	:	Wash hands, forearms and face thoroughly after handling chemical products, before eating, smoking, and using the lavatory, and at the end of the working period. Ensure that eyewash stations and safety showers are close to the workstation location.
<b>Eye/face protection</b>	:	Safety eyewear complying with an approved standard should be used when a risk assessment indicates this is necessary to avoid exposure to liquid splashes, mists, gasses or dusts. If contact is possible, the following protection should be worn, unless the assessment indicates a higher degree of protection: chemical splash goggles.
<b>Skin protection</b>		
<b>Hand protection</b>	:	Chemical-resistant, impervious gloves complying with an approved standard should be worn at all times when handling chemical products if a risk assessment indicates this is necessary.
<b>Body protection</b>	:	Personal protective equipment for the body should be selected based on the task being performed and the risks involved and should be approved by a specialist before handling this product.
<b>Other skin protection</b>	:	Appropriate footwear and any additional skin protection measures should be selected based on the task being performed and the risks involved and should be approved by a specialist before handling this product.
<b>Respiratory protection</b>	:	Use a properly fitted, air-purifying or supplied air respirator complying with an approved standard if a risk assessment indicates this is necessary. Respirator selection

## Section 9. Physical and chemical properties

### Appearance

<b>Physical state</b>	:	Liquid
<b>Color</b>	:	Lt. Tan
<b>Odor</b>	:	Pina Colada
<b>Odor threshold</b>	:	Not available
<b>pH</b>	:	7.0 - 8.0
<b>Melting point</b>	:	Not available
<b>Boiling point</b>	:	No data available
<b>Flash point</b>	:	No data available
<b>Evaporation rate</b>	:	Not determined
<b>Flammability (solid, gas)</b>	:	not relevant (fluid)
<b>Lower and upper explosive (flammable) limits</b>	:	Not available
<b>Vapor pressure</b>	:	No data available
<b>Vapor density</b>	:	Not available
<b>Relative density</b>	:	Not available
<b>Solubility</b>	:	Not available
<b>Partition coefficient: n-octanol/water</b>	:	Not available
<b>Auto-ignition temperature</b>	:	No data available
<b>Decomposition temperature</b>	:	Not available
<b>Viscosity</b>	:	Thin bodied.

## Section 10. Stability and reactivity

<b>Reactivity</b>	:	No data available
<b>Chemical stability</b>	:	Stable under normal condition
<b>Possibility of hazardous reactions</b>	:	No known hazardous reactions.
<b>Conditions to avoid</b>	:	None Known
<b>Hints to prevent fire or explosion</b>		
<b>Incompatible materials</b>	:	There is no additional information.

## Section 11. Toxicological information

### information on toxicological effects

Test data are not available for the complete mixture

### Irritation/Corrosion

### Sensitization

There is no data available.

### Carcinogenicity

Product/ingredient name	CAS No	wt %	Classification	Number	
No data available					- - - - - -

**Classification** National Toxicology Program (United States) None of the ingredients are listed

### Specific target organ toxicity (single exposure)

There is no data available.

### Specific target organ toxicity (repeated exposure)

There is no data available.

## Section 11. Toxicological information

### Aspiration hazard

There is no data available.

<b>Information on the likely Potential acute health effects</b>	:	No hazard in normal industrial use.
<b>Eye contact</b>	:	No hazard in normal industrial use.
<b>Inhalation</b>	:	No known significant effects or critical hazards.
<b>Skin contact</b>	:	No Hazard in normal industrial use.
<b>Ingestion</b>	:	No known significant effects or critical hazards.

### Symptoms related to physical, chemical, and toxicological characteristics

<b>Eye contact</b>	:	No hazard in normal industrial use.
<b>Inhalation</b>	:	No known significant effects or critical hazards
<b>Skin contact</b>	:	No hazard in normal industrial use.
<b>Ingestion</b>	:	No known significant effects or critical hazards.

### Delayed and immediate effects and also chronic effects from short and long term exposure

#### Short term exposure

<b>Potential immediate effects</b>	:	No known significant effects or critical hazards.
<b>Potential delayed effects</b>	:	No known significant effects or critical hazards.

#### Long term exposure

<b>Potential immediate effects</b>	:	No known significant effects or critical hazards.
<b>Potential delayed effects</b>	:	No known significant effects or critical hazards.

### Potential chronic health effects

<b>General</b>	:	No known significant effects or critical hazards.
<b>Carcinogenicity</b>	:	No known significant effects or critical hazards.
<b>Mutagenicity</b>	:	No known significant effects or critical hazards.
<b>Teratogenicity</b>	:	No known significant effects or critical hazards.
<b>Developmental effects</b>	:	No known significant effects or critical hazards.
<b>Fertility effects</b>	:	No known significant effects or critical hazards.

### Numerical measures of toxicity

#### Acute toxicity estimates

Route	ATE Value
No data available	

## Section 12. Ecological information

### Toxicity

Product/ingredient name	CAS No	Species	Exposure
This material is not expected to be harmful to the ecology			

### Persistence and degradability

There is no data available.

### Bioaccumulative potential

#### Mobility in soil

Soil/water partition coefficient (K<sub>oc</sub>) : There is no data available.

Product/ingredient name	LogPow	BCF	Potential
No data available			low

Other adverse effects : No known significant effects or critical hazards.

## Section 13. Disposal considerations

### Waste treatment methods

Waste treatment-relevant information : Dispose of in a landfill. Disposal is not likely to be regulated.  
 Sewage disposal-relevant information : Spent or discarded material is non-hazardous according to environmental regulations.

Waste treatment of containers/packages : Completely emptied packages can be recycled, Handle contaminated packages in the same way as the substance itself.

Remarks : Please consider the relevant national or regional provisions. Waste shall be separated into the categories that can be handled separately by the local or national waste management facilities.

:

## Section 14. Transport information

	DOT Classification	IMDG	IATA
UN number	Not regulated	Not regulated.	Not regulated
UN Proper shipping name		-	-
Transport Hazard class(es)		-	-
Packing group		-	-
Environmental hazards	No.	No.	No.
Additional Information	- none	-	-

**AERG** : Not Applicable

**Special precautions for user** : **Transport within user's premises:** always transport in closed containers that are upright and secure. Ensure that persons transporting the product know what to do in the event of an accident or spillage.

**Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code** : Not available.

## Section 15. Regulatory information

**U.S Federal regulations** : List of Extremely Hazardous Substances (40 CFR 355) (EPCRA Section none of the ingredients are listed 302 and 304

**Clean Air Act Section 112 (b) Hazardous Air Pollutants (HAPs)** : Not listed

**Clean Air Act Section 602 Class I Substances** : Not listed

**Clean Air Act Section 602 Class II Substances** : Not listed

**DEA List I Chemicals (Precursor Chemicals)** : Not listed

**DEA List II Chemicals (Essential Chemicals)** : Not listed

### SARA 302/304

#### Composition/information on ingredients

No products were found.

## Section 15. Regulatory information

[SARA 304 RQ](#) : Not applicable.

[SARA 311/312](#)

[Classification](#) :

Composition/information on ingredients

\*The specific chemical identity and/or exact percentage (concentration) of this composition has been withheld as a trade secret.

Name	%	Fire hazard	Sudden release of pressure	Reactive	Immediate (acute) health hazard	Delayed (chronic) health hazard
------	---	-------------	----------------------------	----------	---------------------------------	---------------------------------

No data available

### State Regulations

[Massachusetts](#) : The following components are listed: None

[New York](#) : The following components are listed: None

[New Jersey](#) : The following components are listed: None

[Pennsylvania](#) : The following components are listed: None

[California](#) : Proposition 65 Warning: None

## Section 16. Other information

### History

[Date of issue mm/dd/yyyy](#) : 06/23/2015

[Version](#) : 1

[Revised Section\(s\)](#) : N/A

[Prepared by](#) : All American Car Care Products

### Key to abbreviations

ATE = Acute Toxicity Estimate

BCF = Bioconcentration Factor

GHS = Globally Harmonized System of Classification and Labelling of Chemicals

IATA = International Air Transport Association

IBC = Intermediate Bulk Container

IMDG = International Maritime Dangerous Goods

LogPow = Logarithm of the octanol/water partition coefficient

MARPOL 73/78 = International Convention for the Prevention of Pollution From Ships, 1973 as modified by the Protocol of 1978. ("Marpol" = Marine pollution)

UN = United Nations

Notice to reader:

To the best of our knowledge, the information contained herein is accurate. However, neither the above-named supplier, nor any of its subsidiaries, assumes any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
